Become a Sponsor of the 2018 California Co-op Conference!

The California Co-op Conference is the only California conference that brings together co-ops of different types to share and learn together.

The conference offers a unique opportunity to showcase how this democratic business model is used to promote local sustainability, economic development, equity, and economic alternatives to “business as usual.”

- Make your presence known as an innovative leader and a supporter of cooperative enterprise!
- Demonstrate your support of cooperatives, economic development, and community wealth creation!
- Network with and communicate directly with new clients in an intimate, relaxed atmosphere!
- Impact your community by promoting a business model that naturally embodies triple bottom line economics!
